Valued Member and Guest,

We hope this letter finds you in good health and great spirits. We would like to thank you for a great 2022 season. We would also like to thank and acknowledge our former members who returned to Pine Hills in 2022 (always nice to see old friends).

Though, the 2022 golf season at Pine Hills has come to an end, we are already planning several improvements for 2023 which include:

- Divot repair mix containers on the tee boxes to help promote individual divot repairs on the tee boxes.
- Divot repair mix boxes located at the turn containing filled divot mix bottles to replace empty divot mix bottles on the golf carts to promote increased repairing of divots on the fairways.
- The leveling of several tee boxes that have heaved or sunken slightly over the years.
- Additional preventative course maintenance measures to help prevent disturbances to playing surfaces.
- A few more surprises as well.

Our goal in 2023 will continue to be to; 1. provide the best that golf and nature have to offer, 2. provide competitive rates, quality services to our course membership and guests, and 3. add to the overall resort experience of the North Star Mohican Casino Resort.

We look forward to serving you in 2023 and encourage you to keep checking our website <https://www.pinehillsgolf.net/> and on our Facebook page at <https://www.facebook.com/pinehillsgolf/>

for continued updates on our 2023 daily fees and membership rates.

Sincerely,
